# Wood and Art

We commenced manufacturing outdoor furnitures in 1994 and offers you a high quality products that are suitable for the different outdoor places.

We aim to provide a comfortable experience combined with style and seeks to enhance your quality of life through designs.

Every part of our furniture is made only from the most appropriate materials following our careful screening process. This ensures that only the best materials are used to deliver the optimum experience, and to ensure easy maintenance of our products. The use of strong frames, UV resistant materials and quick-drying systems enable our products to be placed under the hot sun, heavy rain and extreme cold with a peace of mind.

Our products provides you the optimum experience through the overall design of our process, including our brand production, exterior design, colour coordination, sales and after sales maintenance.

We product line is suitable not only for your garden, but also for terraces, restaurants, swimming pools. We also offer you ease of use as well as design and comfort.

Every outdoor places are as comfortable as your home..
